

Arcadia Educational Foundation and Benefit-Mobile  
an Easy Fund-Raising Solution!

Benefit is a free iPhone and Android app that allows you to purchase Scrip Gift Cards from your phone and then pay for your purchases through the app. After purchasing your gift card, use the Benefit app to pay, either online or at a store location. A portion of your purchase goes directly back to your school.

Let's get started!

- visit [www.benefit-mobile.com](http://www.benefit-mobile.com) for more information and to download the app
- create your account
- **select NON PROFITS and search for Arcadia Educational Foundation**
- select your favorite AUSD school or AHS group
- Once your **checking account** or **credit card** has been linked in the app, you're ready to shop.

Please share this with family and friends to earn more for your school.
